Knowledge:Bridge Home

Welcome to Knowledge:Bridge Space! 👋

Knowledge:bridge space allows all ScienceLogicians to write customer facing Knowledge base articles (KBAs). Current themes are known issues (for product/engineering teams), General KBAs and Enhanced troubleshooting guides for customers.

Simply follow the instructions documented below to create a KBA, set its status and our KBA review team will review and publish the KBA in Salesforce.

Send your feedback to: kbteam@sciencelogic.com
